To,

The Secretary to Govt,
Rev and Genl Deptt.

Sir,

With reference to your docket No. 13240/Ed 289 dated 19th May 1899, enquiring if the Girls' School at Bizur may, as hitherto, be continued to be located, free of rent in a portion of the Sri Subramanya temple at that place, I have the honor to state that the temple in question is a Muzrai and is under the manag of this department. During my inspection of this temple in april 1897, I found that a portion thereof had been occupied by the temple and his family, another by the master of the Girls's while a third was being for holding the School itself But as the rules of the Department prohibited

anne no 13831-3/Ed 308 d/6/6/99 -

utilization of temple premises
for private family purposes
I had desired the Deputy Comr
to direct the Archak and the
School masters to at once
vacate the portions respectively
occupied by them and from a
communication since received
from the Dy Comr, I understand
that this has been done. With
regard to the School itself, I saw
no objection to its being held
there as the portion of the temple
in which it was located was
a detached building not being
quite close to the Garbhagudi;
but considering that this
School building was one newly
constructed out of the temple
funds I had informed the
manager of the School at
the time that he would be
permitted to continue to hold
the school there on condition
of his paying a reasonable
rent therefor. Thus, it will
be seen that the question

of rent has been mooted so far back as april 1897, but no definite settlement has yet been come to, the matter being still correspondence ~~Between~~ with reference to

2 ~~that~~ the question of rent ~~has again been~~ now raised in your docket under reply I can only say that it is but fair that the temple should get a reasonable return for the amount it has expended on the build in question. Considering local demand for such buildings a rent of Rs 7 or 8 will not be excessive, but in present case I will however fix the rent at Rs 5 a month, and this on the understanding that any ~~repairs~~ repairs that may occasionally be needed to the building should be executed from the funds of the Educational department without the temple being called upon to defray

these charges by reason
of its being paid the small
rent of Rs 5. It is only
on such conditions that
temple buildings have
elsewhere been let out
for similar purposes,
such as for Court-houses,
Schools &c

I have the honor &c.
